

QUAKERTOWN

— TIP CLUB —

Quality Referrals & Business Relationships

The Quakertown Tip Club provides owners of our local businesses an opportunity to network and recommend quality services from a select group of local business people.

New members are welcome to join and network with us! Our members can quickly and efficiently get their businesses known in the area. The tip club also provides access to each member's expertise which is a great resource when you are a member. The tip club promotes our members through our website and social media. If you are searching for new referrals, a local service, or want to know about local businesses in your area The Quakertown Tip Club is for you.

Breakfast meetings are held weekly, every Wednesday morning at 8:00 am, except for the second Wednesday of the month. Each member is allotted a date to be a speaker at our meetings where the designated speaker talks of his/her expertise. Our meetings are at John's Plain & Fancy Restaurant on Route 309 in Quakertown, just south of the intersection of Routes 663 / 313 and 309.

Visit our website for information on joining. If you don't see your type of business represented please join!

We have open categories listed on our website.
